Introduction for Atul Khatri

Ladies & Gentlemen, let me introduce our standup act for tonight.

Ladies & Gentlemen, let me introduce our standup act for Our event today.

Atul Khatri is a Mumbai based businessman who got up late in life and decided to do English Standup comedy so that he could tick it off his own personal bucket list.

An Indian Computer Engineer and a British Management scholar who always orders soup one by two even when he is eating alone.

CNN-IBN recently rated him as one of the Top 20 Comedians in India to watch out for.

He recently won 'CEOs Got Talent' trophy competing against 11 other CEOs.

His 1st comedy special was featured on NETFLIX in 2019 as part of a global series featuring Top 47 comedians from all over the world.
